## *Summer Vacation - Holiday Homework*

### Class - Nursery

*Dear Parent,*

*Summer vacation brings a change and excitement for children. The vacation is also a time when you get to spend more time with your child. You could use this opportunity to inculcate healthy practices such as cycling, drinking a lot of water, eating fruits and salads, doing things at home. These tasks are designed to engage children in a meaningful and productive manner. They are based on what children have learnt in April 2018.*

*While your child works, support him / her as you can, in a manner that builds responsibility and ownership towards each task and raises their confidence in their own learning. DO NOT DO THE TASK FOR THE CHILD. Make sure that he / she brings the holiday homework when the school reopens.*

*Wish you an engaging and fulfilling summer time with your child.*
